General Transportation Announcements

- UMass Boston now offers free e-bike and e-scooter charging at the West Garage Secured Shelter with 13 Saris Power Posts; simply [register your bike through Project 529](#) for Beaconcard access. [Learn more about bike parking and facilities.](#)

Commuting Options & Resources

Transportation Services is committed to providing safe and affordable multi-modal transportation options to all our community members, to reduce traffic congestion and use of single occupancy vehicles (SOV) on campus, and to improve air pollution.

A Better City TMA

To support our community members and contribute to enhanced quality of life in downtown Boston, UMass Boston is pleased to maintain membership in A Better City Transportation Management Association (TMA). A Better City TMA provides commuter services and citywide advocacy to improve your options for getting around the neighborhood. Join the ABC TMA Network [here](#).

At no cost to you, the TMA offers several programs & services to help you navigate transportation options and earn rewards for your commuting choices:

Employee Benefits

- Multimodal [trip-planning tool](#) with statewide ride-matching functionality.

- **A Better Commute (ABC):** Earn points for your commuting choices (including telecommuting!) and use them to enter raffles. ABC will draw winners every month and grand prizes every quarter! Learn more [here](#).
- **Guaranteed Ride Home (GRH):** Earn up to six free Uber rides home per year under qualifying circumstances. Please note - you'll need to register for this program ahead of time to earn and use your free rides. Learn more [here](#).
- **Bike Check:** Earn up to two \$25 reimbursements for bike-related expenses every year. Learn more [here](#).
- **Carpool Subsidy:** Each rider switching from driving alone to riding in a carpool can earn up to three months of \$15 gas cards. Find your carpool crew using GoMass Commute's ride matching tool! Learn more [here](#).
- **Express Lane:** Switch from driving alone to taking an express bus and receive up to three months of \$50 reimbursements on your monthly pass. Learn more [here](#).

Student Benefits

- Multimodal [trip-planning tool](#) with statewide ride-matching functionality.

Preferential Carpool Spaces

Park in preferential carpool spaces on campus.

Temporary update: The GoMassCommute website is currently unavailable. During this time, you may register directly using the [UMass Boston Carpool Registration Form](#).

When GoMassCommute service is restored, carpool registration will again require creating or signing into an [A Better City TMA GoMassCommute account](#) and redeeming the [UMass Boston Carpool Signup incentive](#) under "My Rewards."

Zipcar

UMass Boston offers discounted Zipcar memberships for faculty, staff, and students at the university. Visit our Zipcar [member page](#) to apply for a membership and gain access to discounted rates through the university.

Electric Vehicle Charging

UMass Boston is proud to offer **23 shared ChargePoint EV charging ports** across campus, providing convenient and accessible charging for electric vehicles.

- **West Garage (First Floor):** 15 ports.
- **Campus Center Garage (Lower Level):** 4 ports
- **Quad Lot:** 4 ports

How to Get Started with ChargePoint

Step 1: Set Up Your ChargePoint Account

- Download the ChargePoint App: Available for [Android](#) and [iOS](#).
- Sign Up: Create an account within the app. You can also request a free RFID card during sign-up if you need it for use at other stations in the ChargePoint network.
- Enroll in Tap to Pay

Step 2: How to Charge Your Vehicle

- Tap your ChargePoint card or your phone using Tap to Pay on the station's reader symbol to authorize your payment and unlock the plug.
- To end your session, 4 hours is the limit to charge your vehicle, tap your ChargePoint card or phone on the station's reader symbol to confirm you want to end your charging session. Remove the charger and return it to the station.

Additional Details:

- Charging costs \$0.22 per kWh, with a 4-hour maximum charge per session.
 - Standard parking fees apply in addition to charging costs.
 - Non-charging vehicles parked in EV spaces will be fined \$75.
