Find comfort, community, and maybe a grilled cheese.

Whether you live in our residence halls or commute, you'll find a safe and welcoming community at UMass Boston.

For students who plan to live on campus, our modern residence halls are a fantastic value. Enjoy ocean views as you gather in lounges flooded with natural light to study, participate in a fun resident event, or simply relax. Stop by the Dining Commons for custom-made stir fry or Breakfast for Dinner Night.

Commuters, who make up more than 90% of our student body, can discover off-campus housing resources through the [Off-Campus Living Website](#). And of course, all students are encouraged to use the many dining options available at UMass Boston—from the Campus Center Food Court to Dunkin' Donuts and Starbucks.
