How to use the New Student Print System (powered by Wepa):

Starting for the Spring Semester 2020, UMass Boston ITS is pleased to offer a new, cutting edge student printing system, via 18 Wepa printing kiosks around campus. With the new Wepa kiosks, you can print from IT lab PCs and Macs, download print drivers and applications for your laptop, phone or tablet, and directly access documents in cloud storage. Select Wepa printers also include scan-to-print functionality.
